

SUMMER VILLAGE OF MEWATHA BEACH

Policy # 002

BEING A POLICY FOR THE PLOWING AND GRADING OF ROADS WITHIN THE SUMMER VILLAGE OF MEWATHA BEACH

PURPOSE:

The purpose of this policy is to regulate the timing of snow plowing and grading of the roads within the summer village.

POLICY STATEMENTS

1. Grading of the laneways and side streets in the summer village shall be done at the request of council and administration.
2. Snow plowing shall be done at the discretion of council.
3. Snow plowing shall be completed on the main road (Mewatha Drive) after 4 inches of snow has accumulated.
4. The remaining roads and bus routes shall be plowed after 6 inches of snow has accumulated.
5. The access roads to properties will have the ridge dropped where the access is clearly marked with a red flag on each side of the access. These can be flags, survey tape, reflectors or something similar that is easily visible and should be of a material that weathers well and must be high enough that they will not be covered by snow.
6. Private citizens are not allowed to plug driveways with ridges of snow.
7. Any persons that wants snow removed in a private driveway shall make arrangements with a private contractor.
